**REPORT AND RECOMMENDATION<sup>1</sup>**

---

This case came before the Court for a plea hearing on June 9, 2017. Assistant United States Attorney Dominic S. Gerace appeared and represented the Government, and Daniel Joseph O'Brien appeared and represented Defendant. Defendant was present with counsel.

Prior to the hearing, the parties entered into a proposed binding plea agreement pursuant to Fed. R. Crim. P. 11(c)(1)(C), which agreement has been filed of record. (Doc. #24). Under the terms of the plea agreement, Defendant agreed to plead guilty as charged in the Indictment currently pending against him, which charges him with knowingly and intentionally possessing with intent to distribute a mixture or substance containing a detectable amount of heroin, a Schedule I controlled substance, and a mixture or substance containing a detectable amount of cocaine, a Schedule II controlled

substance in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(C).

During the plea hearing, the undersigned had the opportunity to address Defendant in open court and to inform Defendant of all rights and privileges as set forth in Fed. R. Crim. P. 11(b)(1). Further, the undersigned carefully inquired of Defendant regarding his understanding of the agreement, as well as his competence to understand the agreement. Having fully inquired, the undersigned Judicial Officer finds that Defendant's tendered plea of guilty as charged in the Indictment was knowing, intelligent, and voluntary. Additionally, based upon the statement of facts, which were read into the record and affirmed by Defendant, the undersigned finds that there is a sufficient factual basis for finding that Defendant is in fact guilty of knowingly and intentionally possessing with intent to distribute a mixture or substance containing a detectable amount of heroin, a Schedule I controlled substance, and a mixture or substance containing a detectable amount of cocaine, a Schedule II controlled substance in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(C).

Based upon the foregoing, it is **RECOMMENDED** that the District Court accept Defendant's plea of guilty as charged in the Indictment currently pending against him and find him guilty as charged of knowingly and intentionally possessing with intent to distribute a mixture or substance containing a detectable amount of heroin, a Schedule I controlled substance, and a mixture or substance containing a detectable amount of cocaine, a Schedule II controlled substance in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(C). It is further **RECOMMENDED** that the District

Court defer acceptance of the proposed binding plea agreement until it has the opportunity to review the pre-sentence investigation report (PSR).

Pending the Court's acceptance of Defendant's guilty plea, Defendant has been referred to the Probation Department for a pre-sentence investigation and preparation of the PSR.
